Sanag M13S Pro Bluetooth Speaker- Blue Color

Price: 2550 Tk. 3000 Tk. (Without Courier Service Fees)

Product Code: GA10380

7 Days Warranty

The Sanag M13S Pro Bluetooth Speaker is a small, portable speaker that delivers great sound quality and long battery life. It is a great option for those who are looking for a speaker to take with them on the go, or to use at home.

The M13S Pro features a Bluetooth 5.0 connection that provides a stable and reliable signal. It has a range of up to 10 meters, so you can move around freely without worrying about losing your connection. The battery life is also very impressive, with up to 20 hours of playback on a single charge. This means that you can use the M13S Pro all day long without having to worry about running out of power.

In terms of sound quality, the M13S Pro delivers clear and balanced audio. The bass is not too overpowering, and the highs are not too sharp. The soundstage is also wide, so you can enjoy your music in all its glory. The M13S Pro also features a built-in microphone, so you can use it to take calls or make voice commands.

The M13S Pro is also very easy to use. It has a simple control panel with buttons for power, volume, playback, and pairing. It also has a built-in LED light that shows the battery level.

In addition to its great sound quality and long battery life, the M13S Pro is also IPX7 waterproof. This means that you can use it in the rain or by the pool without worry. It also has a built-in RGB light show that can be customized to your liking.

Overall, the Sanag M13S Pro Bluetooth Speaker is a great option for those who are looking for a small, portable speaker with great sound quality, a long battery life, and water resistance. It is best for podcast listeners not for the bass lovers. It is a good value for the price, and it is sure to please.

Feature of Sanag M13S Pro:

- **HiFi Sound:** The third-generation ACavity acoustic cavity, equipped with high-bass diaphragm technology, experience a natural and realistic music experience
- **10-color RGB:** Super dazzling lighting effect changes, enjoy a more expressive way of music
- **20 hours playback:** 800mAh large capacity battery
- **IPX7 Waterproof:** Fully sealed cavity design, no fear of rain
- **Bluetooth 5.1:** stable transmission, ultra-low power consumption
- **3 modes:** Bluetooth mode/TF card mode/ Light gradient mode
- **Sanag APP:** can be connected to Sanag APP to easily set various functions
- **More:** HD hands-free calling, USB C charging, multi-function keys

Overall, the Sanag M13S Pro Bluetooth Speaker is a great option for those who are looking for a small, portable speaker with great sound quality and a long battery life. It is a good value for the price, and it is sure to please.
